OUR PATIENTS TELL THE STORY BEST

"I needed a dental implant and was referred to Meridian by my dentist. In a situation that was a bit stressful, they did an amazing job of calming my fears and giving me a clear plan of action. Dr. Stoianovici did a remarkable job and made sure I understood exactly what was being done to restore my tooth. Joelle was so helpful and assuring every step of the way as well. Incredible place!"

CUSTOMER TESTIMONIALS

The entire office is designed to make you as comfortable as possible, and it worked pretty well for me. Dr.Zielinski and Michaelye were also both great at walking me through everything and making my time there as quick and painless as possible. Can't say I'm hoping for another root canal, but if I ever do need another, I'd definitely do it here again!

Taffany Wilson

I had a amazing experience first starting with the dental hygienist Michaelye. She was super sweet and funny. She helped relaxed me before my procedure. The dentist Dr. Zielinski was gentle very knowledgeable. Love my experience.

Kelly Schmitt

My daughter needed a root canal and they were able to see us right away. We were referred by our dentist, Davies Family Dentistry, who we also love and trust 100%. Our experience at Meridian was amazing, policies and prices were clear and up-front.

Shelby Woodward

Dr. Teel's team was INCREDIBLE. They worked with my primary dentist to get me in immediately. I had fallen and cracked my front tooth. My primary was able to get me in right away on a Monday morning. Did their process, and called over to Meridian right away. I was able to get in later that morning to have the tooth pulled. They worked with their labs to get a temporary retainer made for me asap.
